

Parking Guidelines at the Temple

- Please follow directions from volunteers for parking.
- **Maintain one-way traffic on the ring road as directed by the signs.**
- **On other roads, park on the right side of the road (Imagine you are driving towards the temple. That is the “right” side.) Do not block drive-ways, bridges, road intersections etc.**
- The parking will be done in the following order:
 - Paved parking lot.
 - Ring Road around the temple. Park only on RIGHT SIDE.
 - Leveled unfinished area next to the parking lot (if it is DRY). Entrance will be directly from the temple gate. Look for directions from volunteers.
 - ONLY ON THE RIGHT SIDE of Roads leading to the temple.
 - 105th Ave, Troy Lane
 - 101st Ave only **BEYOND** Troy Lane towards Lawndale Lane.
 - Lawndale Lane from 101st Ave.
 - **Please do not park on BOTH SIDES of the roads.** You may get ticketed / car towed by Police. In addition it will create traffic hazard.
- When all the above spaces are filled, you may drop off your passengers at the main entrance “Drop-off” area and park as indicated above.
- There will be signs to indicate “No Parking” etc. Please observe those.
- **WHILE RETURNING:** If possible we will drop drivers whose cars are parked at Troy Lane, Lawndale Lane and 101st Ave. We will like to have at least 3 or 4 people in the van. Please be patient.
- **Please consider car-pooling if possible.**

Thank you for your co-operation.
